Being named in a "complete" washout/heatout/blackout does not qualify as a								
match played towards finals eligibility.			_	•				

(NB: A complete washout/heatout/blackout is a match in which not a "single game" in any set has been completed) When a team receives a forfeit – only the players named for the team "winning" by forfeit will count towards finals eligibility. (i.e. The team losing by forfeit cannot name players) c) This ruling may be varied, when requested in writing by Club Convenors to BDNTA organiser/s, where there is genuine difficulty in fielding a team of qualified players. Clubs with teams in various sections on a particular competition night must seek to use a qualified emergency player from a lower team where possible. d) Players must not play for more than one club during the same season on the same playing night. (Example) If Joe Tennis plays for Blackburn on Thursday nights (Doubles or S/D) then he cannot play for another club on Thursday nights (Doubles or S/D) during the same season. 10 **EMERGENCIES &** Where persons other than those nominated as regular players with original team **SUBSTITUTES** entries, are used as emergencies or substitutes, and deemed by the Competition Organiser/s to have strengthened the team, then such players shall be deemed ineligible and that team shall forfeit all sets in which it was represented by such emergency/substitute. If a player cannot continue a SET due to illness or other emergency he/she SHALL FORFEIT THAT SET. A substitute who is eligible may play ANY REMAINING SETS. In a FINAL if a player cannot continue a SET due to illness or other emergency, an eligible substitute may replace the player and continue the set from WHERE LEFT OFF and may play ANY REMAINING SETS. In an UNFINISHED FINAL an eligible substitute may replace a player, on the next scheduled match date, who is prevented from continuing the match, through illness, injury or any other good and sufficient reason. PLAY SHALL CONTINUE FROM WHERE IT LEFT OFF **DETERMINATION** 11 (i) Matches shall be decided on SETS won. If SETS are equal, then GAMES decide. OF MATCHES (ii) All SETS possible SHALL be played before a FORFEIT is claimed. (iii) A 12 point tie-break shall be played at 5 games all. (iv) POINT SCORE: Total Points=8 2 points for a win; 1 point for each draw, washout/no result, plus 1 point for each SET WON, ½ point per team for EACH UNCOMPLETED SET, 1 point for EACH FORFEITED SET. (v) In the case of lights shutting off before a match is finished, the result is a draw unless a team has sufficient SETS and GAMES to claim a WIN. Likewise with (vi) In the case of power restrictions/blackouts, matches shall be declared Drawn. In any UNFINISHED FINAL play shall continue from where it left off, on a date to be decided. (vii) DRAWN FINALS: In the case of a drawn final, THE LAST FOUR PLAYERS listed on the card (i.e. Players Number 2 & 3 for Doubles Only Sections & Players Number 1 & 2 for Singles/Doubles Sections) shall play a 12 point tie-break to decide the match.

12	FORFEITS	If a team proposes to forfeit a match, they should notify the opposing team contact and a person from the Venue Club, within a reasonable time to avoid unnecessary travel or inconvenience to opponents.			
		Teams receiving a forfeit will receive 8 points and a games total of 36/0.			
		Where a team forfeits three times during a season that team will be ineligible to continue in the competition, unless a good and sufficient reason (in the opinion			
		of the Competition Organiser/s) is given in writing. In this case if a team is removed from the competition (withdraw penalty applies; refer to by-law 17) all points will be adjusted to reflect a bye from the beginning of the season.			
13	BALLS	Venue Clubs are to provide FOUR NEW BALLS per match.			
		Extra pairs of good used balls should be made available by VENUE CLUBS in case of loss or damage.			
		FINALS MATCHES: Venue Clubs to provide FOUR NEW BALLS for each finals match scheduled at their courts.			
14	FINALS	The finals system shall be as per the fixtures for each season and may be either of the following, or any other finals format deemed suitable by competition organiser/s:			
		FORMAT A: SEMIS: 1st vs. 4th, 2nd vs. 3 rd			
		GRAND-FINAL: Two semi-final winners to play off.			
		FORMAT B: SEMIS: 1st vs. 2nd, 3rd vs. 4 th			
		PRELIMINARY: Loser of 1st vs. 2nd vs. winner of 3rd vs. 4 th			
		GRAND-FINAL: Prelim. Winner vs. Winner of 1st vs. 2nd			
15	RESULTS	Results to be entered online via the BDNTA TROLS system by the "HOME" team. Results must be entered prior to the "ENTRY DEADLINES" as listed on fixtures for the relevant competition night.			
		Last Round & Finals Result Entry procedures to be advised during the season.			
		Failure to meet "Result Entry Deadlines", as determined by the Competition Organiser's, will result in loss of points for the relevant team.			
16	COURTS	Each VENUE CLUB shall make available ONE COURT for each match scheduled at			
		their courts. Additional courts may be used by mutual agreement between captains if available.			
17	WITHDRAWAL OF TEAM	Any club that withdraws a team after grading (Fixtures are published on the TROLS website, but the season has not commenced) will be issued a \$100 per team penalty.			
		Any club that withdraws a team after the season commences will be penalised \$200 per team. The individual players registered for that team will not be permitted to play in another team or to transfer to another club without prior approval from the Competition Organiser/s.
