### 9 ELIGIBILITY OF PLAYERS

a) In any one season, except with the prior permission of the Competition Organiser/s, a person having played three matches with a team shall not play with any other team in the same section, and having played four matches in any higher section, shall not play in a lower section, but remain in the highest section played.

b) Players must play at least **3 home and away matches** in order to qualify for finals for a particular night. Being named in a "complete" washout/heat out/blackout **does not** qualify as a match played towards finals eligibility.

A **complete washout/heat out/blackout** is a match in which not a "single game" in any set has been completed. When a team receives a forfeit — only the players named for the team "winning" by forfeit will count towards finals eligibility. *(i.e. The team losing by forfeit cannot name players.)*

c) This ruling may be varied upon written request by Club Convenors to the BDNTA organisers, in cases where there is a genuine difficulty in fielding a team of qualified players.

Clubs with teams in multiple sections on the same competition night must first seek to use a qualified player (who was listed as regular player during team registration) from a lower section by requesting approval from the BDNTA organisers.

d) Players must not play for more than one club during the same season on the same playing night. (Example) If Joe Tennis plays for Blackburn on Thursday nights (Doubles or S/D) then he cannot play for another club on Thursday nights (Doubles or S/D) during the same season.

### 10 EMERGENCIES & SUBSTITUTES

Where persons other than those nominated as regular players with original team entries, are used as emergencies or substitutes, and deemed by the Competition Organiser/s to have strengthened the team, then such players shall be deemed ineligible and that team shall forfeit all sets in which it was represented by such emergency/substitute.

If a player cannot continue a SET due to illness or other emergency, he/she **SHALL FORFEIT THAT SET**. A substitute who is eligible may play **ANY REMAINING SETS**.

In a **FINAL** if a player cannot continue a SET due to illness or other emergency, an eligible substitute may replace the player and continue the set from **WHERE LEFT OFF** and may play **ANY REMAINING SETS**.

In an **UNFINISHED FINAL**, an eligible substitute may replace a player who is unable to continue the match due to illness, injury, or any other valid reason, provided that written approval is obtained from BDNTA prior to the next scheduled match date.

**PLAY SHALL CONTINUE FROM WHERE IT LEFT OFF.**

#### 11 DETERMINATION OF MATCHES

- (i) Matches shall be decided on **SETS** won. If SETS are equal, then GAMES decide.
- (ii) All SETS possible **SHALL** be played before a FORFEIT is claimed.
- (iii) A 12 point tie-break shall be played at 5 games all.
- (iv) **POINT SCORE:** Total Points = 8  
2 points for a win; 1 point for each draw, washout/no result, plus 1 point for each SET WON, ½ point per team for EACH UNCOMPLETED SET, 1 point for EACH FORFEITED SET.
- (v) In the case of lights shutting off before a match is finished, the result is a draw unless a team has sufficient SETS and GAMES to claim a WIN. Likewise with washouts/heatouts.
- (vi) In the case of power restrictions/blackouts, matches shall be declared Drawn. In any UNFINISHED FINAL play shall continue from where it left off, on a date to be decided.
- (vii) **DRAWN FINALS:** In the case of a drawn final, the last four players listed on the card shall play a 12 point tie-break to decide the match.

#### 12 FORFEITS

If a team proposes to forfeit a match, they should notify the opposing team contact and a person from the Venue Club, within a reasonable time to avoid unnecessary travel or inconvenience to opponents. Teams receiving a forfeit will receive **8 points** and a games total of **36/0**.

Where a team forfeits **three times** during a season that team will be ineligible to continue in the competition, unless a good and sufficient reason (in the opinion of the Competition Organiser/s) is given in writing. In this case if a team is removed from the competition (withdraw penalty applies; refer to By-Law 17) all points will be adjusted to reflect a bye from the beginning of the season.

#### 13 BALLS

Venue Clubs are to provide **FOUR NEW BALLS** per match. Extra pairs of good used balls should be made available by VENUE CLUBS in case of loss or damage.

**FINALS MATCHES:** Venue Clubs to provide **FOUR NEW BALLS** for each finals match scheduled at their courts.

#### 14 FINALS

The finals system shall be as per the fixtures for each season and may be either of the following, or any other finals format deemed suitable by competition organiser/s:

**FORMAT A:**

SEMIS: 1st vs. 4th, 2nd vs. 3rd

GRAND-FINAL: Two semi-final winners to play off.

**FORMAT B:**

GRAND-FINAL: 1st vs. Winner of 2nd vs. 3rd

#### 15 RESULTS

a) Results must be entered online via the BDNTA TROLS system by the “HOME” team. Results must be entered before the “ENTRY DEADLINES” specified on the fixtures for the relevant competition night.

b) In the last round of the season, the Home team is responsible for entering the scores by the cut-off time. Failure to do so will result in the Home team losing points, as determined by the Competition Organiser(s).

c) In the Semi-Finals, Preliminary Finals, and Grand Finals, the winning team is responsible for entering the scores by the cut-off time. Failure to do so will result in the winning team losing points, as determined by the Competition Organiser(s).

#### 16 COURTS

a) When the club dedicates all the courts under lights to BDNTA Competition from 7pm, VENUE CLUB shall make available **ONE COURT** for each match scheduled at their club. Additional courts can be shared by mutual agreement between captains.

**Example:** If a club has 3 courts under the lights, and all 3 courts are allocated to the BDNTA Competition. Two BDNTA teams are playing at home; each team will have one permanent court, and the 3rd court will be shared between both teams.

b) When the club allocates partial courts under the lights to the BDNTA competition from 7pm, the remaining courts under the lights are allocated to Coaching, Social tennis, or other club activities from 7pm. VENUE CLUB shall make available **TWO COURTS** for each match scheduled at their club.

**Example:** If a club has 6 courts under the lights and 4 courts are dedicated to the BDNTA competition, the remaining 2 courts are allocated to Coaching or Social Tennis. In this scenario, the club can have a maximum of 2 home matches, and each team will get 2 courts.

#### 17 WITHDRAWAL OF TEAM

Any club that withdraws a team **after grading** (Fixtures are published on the TROLS website, but the season has not commenced) will be issued a **\$100 per team penalty**.

Any club that withdraws a team **after the season commences** will be penalised **\$200 per team**.

The individual players registered for that team will not be permitted to play in another team or to transfer to another club without prior approval from the Competition Organiser/s.

#### 18 EXTREME HEAT PROCEDURES

Temperature limits for playing matches: the BOM (The Bureau of Meteorology – [www.bom.gov.au](http://www.bom.gov.au)) local information is to be consulted;

Matches may be called off as early as 6:00 pm if the BOM app shows a forecast temperature of **35°C** or higher at 7:00 pm in the match suburb. In this case, teams are not required to attend the venue. Heat out decisions cannot be made before 6:00 pm.

Matches may be suspended after commencement if the BOM app at the venue shows a temperature exceeding **35°C**.

If, after suspension, the BOM indicates the temperature will remain above **35°C** for more than 60 minutes, the match may be declared a Heat-Out and points awarded accordingly.

A screenshot of the BOM app at the match location is required to verify match cessation or cancellation. The home team captain is responsible for providing this information to BDNTA upon request.
